

PRICING

SCHOOL LICENSE

\$995/YEAR

Includes access to *all* MobyMax features and functionality for *all* staff and students in a school, along with project management, onboarding.

Licenses can be purchased on one-year or multi-year terms. Multi-year licenses feature an additional discount as well as a locked rate for the duration of the license, saving schools from any potential cost increases.

PER-SEAT LICENSE

\$9/YEAR

For schools that prefer to license MobyMax for a limited number of students and/or subjects, our per-student license cost varies based on which subjects are selected and how many students need to be covered.

COACHING AND PROFESSIONAL DEVELOPMENT

CUSTOM WEBINAR

\$299/HR

A flexible training option. Custom webinars are typically used for new-hire onboarding, annual refresher training, and to help teachers understand how to best use Moby for targeted instructional initiatives.
