Journey to Excellence 2.0

2026-2027 Lightspeed Systems Ordering Information

NAD-Wide Lightspeed Systems Discount Initiative

We are pleased to announce that Lightspeed Systems orders are now consolidated at the NAD level to deliver the best possible pricing for all our schools. Working in partnership with Lightspeed Systems, we've secured exclusive discounts designed specifically for NAD schools.

By centralizing our purchasing:

- We waive Lightspeed Systems' \$3,000 minimum spend per organization
- We achieve greater value through collective buying power
- We simplify deployment and support

Key Details

- Union IT Directors will serve as your point of contact for account management and payment.
- Deployment and technical setup will be managed directly by Lightspeed Systems.
- Bundled product options offer the deepest savings and are strongly recommended for both value and student safety.

2026-2027 Pricing

Pricing is per licensed user across all NAD K-12 institutions. A single division-wide agreement covers every school — one contract, one renewal, one point of contact.

Looking Ahead

As more schools participate, we increase our purchasing strength — giving us the ability to re-evaluate pricing and pursue even deeper discounts. Together, we're better equipped to protect and support our students.

Questions?

- Contact your Union IT Director for account support.
- Contact Martha Ban for ordering questions.

Thank you for your continued partnership in creating safe and connected learning environments for our students.
