

# CONTROLLED PHONETIC READING PROGRAM

An Ideal Program  
for Struggling Readers

**The ONLY program  
with phonetic building stories!**

- Teaches one sound at a time until all 70 phonograms are mastered
- Engages students in reading their first story after learning only three letter sounds
- Utilizes a research-based, multi-sensory, and fun approach
- Results in gains of up to two grade levels upon completion of the program

**10-20%**  
reading growth  
in the first  
6-8 weeks
